SCALEO® EVi 2565
Entertainment PC for your living room

Issue November 2007

Pages 2

The SCALEO EVi 2565 is an all-in-one entertainment PC which supports the new Intel® Viiv™ technology. It is a fully equipped desktop PC, a TV receiver and HDD recorder. It is a Blu-ray / HD DVD player and DVD writer and it also stores your precious memories like digital photos, videos and your music collection.

The SCALEO EVi 2565 is optimized for the living room. It fits in every Hi-Fi rack due to the slim form factor. Its attractive design makes it an eye-catcher in the living room. And he is that silent, that you never will be disturbed whilst enjoying your DVDs or music.

In the end the SCALEO EVi 2565 is a powerful combination of a reliable PC for all home office applications and an easy to use multimedia device, all in one case.

- Advanced entertainment PC in Hi-Fi design to fit into your living room
- Very silent operation
- Windows Vista™ Home Premium with user-friendly Media Center interface
- Intel® Viiv™ processor technology with Intel® Core™ 2 Duo processor
  Gives you more power with less heat
- Enjoy your favorite Hollywood blockbusters in high definition quality with the integrated Blu-ray / HD DVD combo drive
- Watch TV as you like: the digital video recorder (PVR) let you pause, record and replay your TV program
- Comfortable recording of your favorite TV programs using the electronic program guide
- Watch movies on DVD or listen to your CDs with the built-in CD-/ DVD player
- Put everything at your fingertips - instantly access TV, DVDs, movies, home videos, music, photos, and FM radio with the Philips Vista remote control
- Connect the SCALEO EV to your TV or projector through HDMI, SCART, VGA; Component Video out (YPbPr)
- Store video, music, data and TV shows on the internal hard drive, or record it on DVD with the Blu-ray/HD DVD combo drive
- Enjoy digital or analog surround sound output through your AV receiver with the Intel® High Definition Audio with 7.1 surround sound
- Watch, edit and print your photos using the integrated multi card reader or USB 2.0 ports
- Integrated WLAN Module
- eSATA connector to connect latest generation of external hard disc devices
- Supports Internet, office and gaming in your living room
- Wireless Keyboard with integrated touchpad for mouse functionality
